

REEL 3

More talk about Jack Dalton (after prompting by Mike Dalton). John Maloney's father was incorporator of Dalton Trail with Dalton. John Maloney of Juneau has records of the enterprise now in Juneau. Maloney is an attorney.

Bell Simpson is discussed. Age guessing for her. About this time Sim pours everybody a drink and lots of ice tinkling is heard.

More talk about Sim's photo reproduction hobby. Started out helping his grandchildren with school historic projects. Grew into big hobby...donates time and photos to historical collection. He retains still the negatives.
