

Food, besides moose and salmon, was canned vegetables, dehydrated foods. Joe especially liked the meat of lynx.

He reminisces about his family. His brother George stayed in California and worked on a wealthy family estate. Joe visited him in 1940...the only time he went out of the interior from 1910.

His brother George was the eldest child in a family of four. Then came Moses, Annie and Joe. George married an English girl but that did not last and Joe is uncertain what happened to her. He did not know date of death of his brother. Joe had only fourth grade education. Water at his main cabin? From Chandalar River. In winter they used ice from river, melting it for water.
