

PROGRAM OF EVENTS FOR TODAY

NUIQSUT DEDICATION FESTIVAL

TO OUR VISITORS AND FRIENDS:

This Festival and Dedication is a festival of people and is not intended to provide entertainment. Join with us. Celebrate... especially now in America...the fact that pioneering, adventure and grass roots spirit are not dead. At a time when many people are seeking special gifts, commemorations and events that will bring pride to America in its bicentennial, let this festival and dedication be considered the gift of the Inupiat to their fellow citizens. A new village, new homes, in a challenging land, built with personal initiative in trying times and against great odds. Let all of American look to Nuiqsut today and smile, take pride in what has happened and take hope in what lies ahead.
