DAL VALLEY 1938

Oal's Afognak Cabin

Twenty Years Ago ^{3/8/52}
 Delmond Valley of Afognak delivered a load of 6x8 foundation timber to Pacific Alaska contractors for use on the Aleutian Horns, Inc. project. Valley has a 14-man crew working in timber operations this winter on Afognak.

Valley was recently awarded timber on a 470-acre tract, about nine million board feet and he said "That's enough timber to keep my crews working for the next seven years."
