Next tape was a recording by Audrey Loftus, next reel is a report of a trip to Dawson and an interview of Jerusalem Joe. That completed the list by Harrie Hughes recorded on September 5, 1960 in Fairbanks, Alaska.

A recording of the first park and monument committee meeting in Fairbanks, Alaska recorded in 1960. Unidentified person proposed using the area around the steamboat Nenana for the park. [recording is difficult to understand] There was a discussion about using the area and the needs for the park. They talked about designating the park, a monument and requesting the land from the city.
