Lucille Brenwick - (88 years old) - 2/1/01

- arrived late and she reminded us of how she likes to be punctual.
- great Aunt to Ruth Ann Warden
- daughter present
- worked on Democratic Commission
- Ran roadhouse
- Reflective and Comparative - life before leaving, life outside, life when she came back.
- 1918 Flu epidemic
- Her many historic picture albums add to the richness of her interviews.

H 2001 - 02 - 01/02

Lucille received her formal education outside, at an Indian School Chinoia (sp.) following her sister who also went out. Her neat and comfortable house is next to the Park Service office. Her daughter lives next door.

The interview is rich in description of the people who helped her as she was growing up, they lived across the Copper River.
