

142002-27-15

1/9/04.

This is an interview w/ Cliff Events at his Corporate office on the West end of the International airport runway. The Events Air business has grown immensely and they now deliver fuel and cargo to many Interior & North Slope Communities. They fly a fleet of C-46's, and DC-6's. Recently they expanded w/ Passenger Service to Eagle in smaller craft.

In this interview Cliff describes his personal background growing up in Juneau New York and learning to fly. He describes working for Wien Alaska Airlines, flying in the Brooks Range,

2002-27-15
and on the North Slope
during the Wavel Petroleum exploration
period. He has a good description
of overwintering w/ Simon Pauwak and
his family in Anaktuvuk Pass.

He also describes hauling supplies
to Chandler Lake and to
Chaudalar. He has a description
of how he flew routes
to Ft Yukon and a trip up
to Christian Village.
