When Charles and I did the oral interview with you dealing with your role and work with the Knowles Administration we neglected to have you sign a copy of the "Oral history gift and Release Agreement." I have enclosed with this fax a copy of the 2 page agreement. We would appreciate it if you would review the agreement, sign it and send it back to me. It is the same one that we have asked all the Knowles Administrative folks to sign.

In essence, it allows us to let students and scholars listen to the interview and allows us to reproduce it for scholarly purposes and the web. As a side note we did work with the governor's executive office staff to preserve the governor's website and make it available as part of a larger project.

Thanks. If you have any questions please give me a call at x7224.
