Dear Dorcas;

This is to let you know that I am depositing a copy of the oral history recording you made with me on August 21, 1997 about your experiences at NARL with the University of Alaska Fairbanks, Oral History Program. As part of the University library's archive, their collection of oral history recordings is made available to the public. It was my understanding that the release form I had you sign demonstrated your agreement to public access to the recording. I have now learned that since it was a North Slope Borough, Inupiat History, Language and Culture Commission (IHLC) release form, technically it only released the recording to their archive (a copy of the tape was deposited with IHLC in May 1998). Just to make sure that we agree on the intention of that release form and that you are kept informed, I wanted to let you know of my intention to put a copy of your tape at the University of Alaska Fairbanks (UAF).

Unless I hear back from you, I will assume that this deposition of your recording is acceptable. Please write or call me at (907) 474-6672 if you have any questions or concerns.

Thank you again for taking the time to talk with me and to share your memories of NARL. I believe it is an important piece of northern history whose story needs to be told.

Sincerely,

Karen Brewster
