Dear Ms. Russell:

Please find enclosed three disks containing interviews that HDR completed as part of a National Guard Bureau mitigation project regarding the closing of Kulis Air National Guard Base. Two of the interviews took place at Kulis ANGB on 11 August 2009. One was completed over the phone on 5 August 2010. Each disc contains a WAV file and a copy of the interview notes. These are just notes, not a transcript of the interview. Hard copies of the interview notes and the release agreements are also included.

These items were created as part of the research for the public education booklet called for in the 2009 Memorandum Of Agreement for the closure of Kulis Air National Guard Base.

If you need anything further please do not hesitate to contact me.

Thank you.

Sincerely,

Kathryn Plimpton
