Thanks! If you have any questions, let me know. I will get the other two release forms from Buck Bukowski and Minnie Sallison to you as soon as I get them. I've talked to them both and they have verbally given permission but haven't sent the form in yet. The jukebox will be available at the end of September at <http://jukebox.uaf.edu/combethe/> and the links for each person should be like this: <http://jukebox.uaf.edu/interviews/2011-27-beans> (or whatever the last name is)

Thanks again!
