Dear Ms. Brewster:

Thank you for your letter of February 14<sup>th</sup> concerning  
The Judges of Alaska Project Jukebox.

I have no concerns about internet access, it sounds like  
a very worthwhile endeavor. I don't know whether you are aware  
of the Color of Justice program put on by the Alaska Court System  
which might fit in with this project. I was invited to participate  
in that event last February in Sitka. If you would like to know more  
about that program I suggest you contact Barbara Hood at the  
Court Administrator's Office.

Sincerely,

Roy H. Madsen  
Superior Court Judge (Ret'd)
