Dear Mr. Quong:

Now that school is out there is time to get back to work on my book on the Alaska Highway.

I have not decided how much of the material I taped I will use, but the publisher requires permission before any of it is used. Actually, there is only a small margin of profit on a book of this kind since the market will be small. Anyway, I would appreciate it very much if you would sign and return the enclosed slip.

I often remember your gracious help while I was in Whitehorse. It was a real pleasure to talk with you and to make your acquaintance.

Hoping all is well with you and your family, I am

Yours,

David A. Remley

Mr. Remley

Herewith returned your slip signed as request.

I am pleased to have been able to assist
and hope that I have contributed something
useful.

Come up & see us again.

With best wishes for success in
your venture
