Oral History Gift and Release Agreement

Thank you for your generous contribution of knowledge to the Oral History Archives. We welcome the opportunity to have the video recordings made with ESTHER NORTON as part of the Kotzebue Communities of Memory project. The Oral History Archives agrees to preserve these recordings and make them available to the public. In consideration of the role of the Archives in preserving and making these recordings available, we ask you to agree to the following:

I, (insert name) ERNEST NORTON and the (state relationship) SON of ESTHER NORTON who died on or about (insert date) JULY 30, 2007 and as such I transfer and convey to the University of Alaska Fairbanks' Rasmuson Library my title, interest, and copyright, if any, to the recording.

I also agree to hold the University of Alaska Fairbanks harmless for how it makes the recordings available and how it preserves them. I further acknowledge that I have been informed of the following:

- The Oral History Program makes recordings available to researchers, writers, scholars, students, and the interested public.
- The Library may make this recording electronically accessible via local area networks, the Internet, or other electronic means for access and preservation purposes.
- While the Library only intends to make the recordings available for educational and/or non-commercial purposes, by signing this form I release the Library and the University from liability in cases where individuals who access a recording might violate these conditions.

None of the above mentioned conditions restricts you from re-telling and/or recording again any of the information you gave on this recording.

I have read and accept both the terms of the Oral History Gift and Release agreement as well as the Interview Restrictions provided.
