to Leslie McCartney

Hi Leslie,

Sorry I lost this in the emails. I am very happy to release my Dad's recordings for your use and distribution as a part of this project for the Oral History Program. I understand this will make these recordings available under the Kotzebue Communities of Memory project. I am thankful these will become a part of a permanent archive. My Dad would have welcomed sharing these with researchers, writers, scholars, students and for the general public.

Making his recordings accessible digitally and through other electronic means is a part of the sharing he was committed to as well.

I understand the use of his recordings as a part of this project are intended for noncommercial and educational purposes. If these are violations of this intent I will not hold the Library, University or the project liable.

I agree to this on Thursday 27 April 2017 on behalf of my late Father Tommy M. Ongtooguk.

I would print this out but my printer has been out for awhile as they reconfigure it to be use the University of Alaska Anchorage firewall.

it would be a treat to meet you but is not required for this purpose by me. I can be reached at [907-250-8639](tel:907-250-8639).
