For Use In Oral History Research
(non-survey)

PROJECT TITLE: Seward Oral History Project

DESCRIPTION:

CONSULTANT'S STATEMENT:

I voluntarily consent to provide information to the National Park Service for this project and to allow the interview to be recorded through written notes, photography, tape recording, video taping or other appropriate means.

I transfer to the National Park Service all legal title and property rights, including copyright, to the materials obtained during this interview.

I understand that the information that I provide will be in the public domain and may be used for a variety of purposes, including written reports, presentations, publications and/or interpretive materials.

I understand that my name may appear in the final products.

I also understand that the information in the interview may be made available to researchers and/or the general public for use in other projects.
