Letter of Transmittal

I, Scott Brainerd, President of the Alaska Chapter of The Wildlife Society, agree to transfer and convey the rights to the recordings known as 'The Alaska Chapter of The Wildlife Society Collection' to the **University of Alaska Fairbanks Rasmuson Library**.

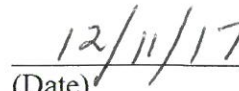

On behalf of the Alaska Chapter of The Wildlife Society, I hereby transfer and convey to the University of Alaska Fairbanks Rasmuson Library all of the organization's title and interest rights, title and interest, if any, in the above referenced recordings. I understand that as part of its policies, the **UAF Oral History Program** makes its recordings available to students, scholars, and members of the general public. Copies of the recording along with accompanying transcripts or summaries may be available on the Internet, through the Library Catalog or physically at the UAF Oral History Collection office. Duplicate copies of recordings, transcripts or transcript summaries may be made for circulation and preservation purposes; complimentary copies may be made for narrators and their families; and researchers may purchase copies of released recordings, transcripts or transcript summaries for their personal use. This does not restrict your organization in any way from using the recordings in any way you wish either in whole or part.

Should the Library be approached by a commercial company wishing to use the material (for example for a documentary film or broadcast program) the Library will make its best efforts to contact you and/or the Alaska Chapter of The Wildlife Society for your permission.
