To Whom It May Concern,

In August of 1980, I, Lyman Woodman, donated to the University of Alaska Archives (Oral History Program) interview tapes narrated by Harvey W. Gipple, Charles Pinney, Allen Miller, Frank O'Brian, Clifton Robert, Richard Cross, Nellie Brown, Muktuk Marston, David Green, John Fletcher Jr., Martin Victor, Bob Reeves and Eva McGown.

All interviews were conducted with full cooperation of persons involved, and full support and permission for these tapes to be used ~~at the~~ for ~~dissemination of the Oral History office,~~ for educational purposes. I passed copies on to the University for its use for those same purposes.

Signed Lyman L. Woodman
