Dear Mr. Schneider

Enclosed are copies of tapes and transcripts of two oral history interviews we conducted with Col James D. Bush, Jr., (Ret) and John Andrews, both veterans of the Aleutian Campaign. Colonel Bush was the engineer responsible for much of the construction projects on the Aleutian Chain, and Mr. Andrews was a former B-24 pilot.

We are forwarding these tapes and transcripts for inclusion in your archives. We have maintained one copy of each in our archives, and have forwarded one copy each to the Albert F. Simpson Historical Research Center at Maxwell AFB, Alabama.

Sincerely,

A handwritten signature in black ink, appearing to read "John Halle Cloe", is written over the typed name.
