RELEASE FORM

I, Helen Gwin, hereby give my permission to the Alaska Archaeological Surveys Section of the Division of Geological and Geophysical Surveys, Alaska Department of Natural Resources, to donate the tape and a detailed summary of the interview which I granted on February 13, 1986, to the Oral History Project at the Elmer E. Rasmuson Library Archives of the University of Alaska in Fairbanks.

This interview was conducted by Rolfe Buzzell, Ph.D., at my residence in Cooper Landing, Alaska. The interview was part of Dr. Buzzell's field work on the history of Cooper Landing in connection with the Sterling Highway Project.

I understand that the interview tape and summary will be made available to scholars and the general public for research and educational purposes.

Dear Ralph,

Wanted to say thanks for the
tape, I really see no reason to be
concerned, about any of the tape
being available to those interested
in it.

Sincerely,
