#### RELEASE FORM

I, Clements N. LEAN, hereby give my permission to the Alaska Archaeological Surveys Section of the Alaska Division of Geological and Geophysical Surveys, Department of Natural Resources, to utilize the information from my taped interview dated 8/18/86, 1986, for the purpose of compiling a survey report for the Alaska Department of Transportation and Public Facilities.

I also donate the tape and a detailed summary of this interview to the Oral History Project at the Elmer E. Rasmuson Library Archives of the University of Alaska in Fairbanks.

This interview was conducted by Rolfe Buzzell, Ph.D., at Cooper's Landing, Alaska. The interview was part of Dr. Buzzell's field work on the cultural resources survey on the Seward Highway from Milepost 50-65.5.

I understand that the interview tape and summary will be made available to scholars and the general public for research and educational purposes.
