PHOTO _____ TAPE _____ MAPS _____ MF _____ VIDEO _____ PHONO _____ OTHER

LOCATION A1204H Indus. Shlvr. **ENTERED** 4/10/87
if decided by originator

filled out by: Marge Naylor

Re: Anne Foster, donor agreement not needed if materials are being transferred between two branches of the university i.e. UAA + UAF. So this paperwork is all that the Archives has on file. Anne doesn't think that there are full transcripts for all of the 170+ tapes in the collection. She thinks that just the ones that were published as story books may have been transcribed.
