Dear Dan:

At your request, by this letter I am transferring to the Rasmuson Library at the University of Alaska title, interest and copyright to the interview with me you taped in Juneau November 5, 1990, provided that these materials are to be used for scholarly purposes and further provided that the tape and interview may not be listened to, copied, paraphrased or otherwise accessed by the public before June 1, 1991 without my expressed written consent.

I am also enclosing the other materials you requested. Thanks for the tapes you sent, and good luck with your final interview on this project.

At this time my plans are still up in the air; I will look forward to getting together at some point in Fairbanks.

Sincerely,

Richard A. Fineberg
