

Context:

Richard Frank is asked to
tell about the history of 4 sites in
the Minto Area as part of the
Minto documentation & map project.

The material was collected specifically
to use in a video production
and as background documentation.

Richard agreed to do the interview
w/ M. Luda Choe & W. Schneider
~~knowing~~ ^{as} after reviewing the
mapping and seeing the outline
for the video. He knew how his
information would be directly
used.
