Dear Bertha,

Thanks so much for taking the time to tape with me last night. I always enjoy hearing you tell about your experiences, and I always learn something valuable. Your tape will be a valuable contribution to the Gates Jukebox Project.

This may take a while to wend its way through university channels, but when it is finished it should include a small honorarium check to help thank you for your contribution.

As always, it was great to see you and be with you.

All the best,
Wendy Arundale
