Dear Ms. Russell,

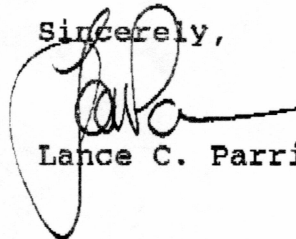

Lynn Vogler has asked me to respond to your note of January 19, 1996 concerning the tape made on September 11, 1986 of Lynn's uncle Joe Vogler and Ernie Wolf.

I have reviewed the attached gift and release agreement form, and the Estate is not willing to execute that form as presented.

The Estate, through Lynn Vogler, has given me the authority to authorize the University to allow unrestricted access to the tape for the purposes listening to it. However, to the extent that any rights exist (whether copy right or otherwise), the Estate is not willing to transfer those rights to the University at this time. If individuals have a desire to use portions of the tape, they may contact Mr. Vogler for his permission.

Thank you.

Sincerely,

Lance C. Parrish
