Department of Anthropology  
Fairbanks, Alaska 99775

P.S. I am enclosing a release form for you to sign should you be interested in having the tapes I recorded with you deposited in the archives of the University of Alaska for use by future researchers. If you are not interested in doing so, they will remain with me.

Sharon:

I don't remember if I said anything that may cause a friction with others.

The down fall of our ~~own~~ oral history is some claim exclusive right to tell their own. My remarks about the Blarney stone viewed as a prophecy is well known. I think some of my comments are of a political nature. Hopefully nothing offensive.

Sincerely, Mark Jacobson
