

Addendum to Kodiak College Letter of Transmittal for the Kodiak Oral History Project Tapes

The **Kodiak College** would like the **UAF Oral History Program** to continue to manage the duplication, copyright, and digital rights management issues for the digital copies of the **Kodiak Oral History Project's** audio recordings, transcripts, and releases currently in the possession of Kodiak College until such a time the College is able to do so itself. Kodiak College will inform its patrons that copies of the interviews and transcripts are available from the UAF Oral History Program for a small fee and will refer other requests to us.

Re: Letter of transmittal

Dear Craig,

Please find following the blank Letter of Transmittal form that we spoke about on the phone earlier today. Again, it pertains to the Kodiak Oral History Project, which was originally transmitted to us by Gary Stevens in 1996 (we have since misplaced the signed transmittal form). Thank you for bringing this to the attention of Doug Hammer. The form should be returned to us via mail:

Oral History Dept.
Alaska and Polar Regions Dept.
University of Alaska, Fairbanks
Rasmuson Library
P.O. Box 756808
Fairbanks, AK 99775-6808

If Mr. Hammer has any questions, please have him call me or Robyn Russell at 474-6773.

Thank you very much.

Sincerely,

Elizabeth Keech
