Thank you, Robyn, for letting me know about these tapes/CD's.  
I appreciate your offering to send me 2 CD's of my  
Dad's oral recordings. I forgot to ask you if anyone has  
already "transcribed" these tapes. That would save me  
some time and typing if someone has. So, if you, by any  
chance, have a "transcription" copy, please send it  
along with the tapes/CD's. I would appreciate it.  
Thanks again
