Letter of Transmittal

I, CATHERINE JACKSON-FRIEDMAN, executor for June Metcalfe's estate, agree to lift the restrictions on the 8 reel to reel tapes of an interview with Fred M. Hicks done by June Metcalfe on October 18, 1962 and deposited by Mrs. Metcalfe with the program in 1991. I understand that per its current policy the UAF Oral History Program will make these tapes available to students, scholars, and members of the general public.
