Dear Hetty Ruth,

I was delighted to hear from my colleague, Jan Garcia, that you agreed to give the University of Alaska Archives a copy of the important recording you did with Dorothy I. Clifton.

We are very pleased to have it. However, in order to make the transcript and recording available to researchers, students and other interested people, the Archives must have your permission in writing. Would you agree to sign the enclosed release form and return it to us in the stamped self-addressed envelope?

We are looking forward to adding your tape to the University's collection of oral history recordings.

Sincerely,

William Schneider
Curator of Oral History
