Margaret Eskilida 6/8/99

is interviewed by Bill

Schneider, Ruth Ann

Warden and Margaret

daughter, Millie Buck,

at Millie & Bill's

home in Glenallen

Margaret was not fully

well and so the

interview is short w/

lots of references to how

difficult it is to know

what to say ~~to~~ in such

a general interview, Millie

provided some help in

placing her words life

in perspective and

H99-24

it is clear that

Margaret is talking to

Ruth Ann who is a

young woman. This interview

was done ^{money} after ~~Schneider~~ Bill

had interviewed Millie.

The audio quality

is compromised by

the sound of a

freezer coming on.

H99-24

Margaret was

born in Tazhina and

now lives in Chitna

although she is now

staying w/ Millie in Glenallen
